Subject: DN 2020-264-E

Dear Duke Companies and Parties:

In Docket No. 2020-229-E, the ORS asked these questions related to that Solar Choice Tariff Docket. It would be helpful if counsel for Duke Energy Carolinas, LLC and for Duke Energy Progress, LLC would answer these same questions for Docket Nos. 2020-264-E and 2020-265-E. Therefore, I am asking if the Duke Companies will answer and provide the following information no later than **Tuesday, January 19, 2021 by 1:00 p.m.** for each respective Docket 2020-264-E and 2020-265-E:

1. The heading or caption to include words indicating specifically the type of adjustment or impact the filing could potentially have on customers. See guidance provided in Order No. 2019-214;
2. A summary or explanation of the Solar Choice Metering Tariff proposed by each Duke Company in its respective Docket (i.e., DN 2020-264-E – Duke Energy Carolinas, LLC; DN 2020-265-E – Duke Energy Progress, LLC) to include the rates and charges proposed (subscription fee and any minimum charges); and
3. A summary or explanation of how the proposal impacts existing net metering customers and non-participating customers.

Thank you.

Jo Anne
